Hi, John. Is it snowing in London ? It is snowing here. The temperature is five degrees of frost. Usually January in Moscow is colder. The school holidays are over but I spend a lot of time out of doors. My friends and I go skating and skiing in the park. Yesterday we made a big snowman. It was wonderful and many children came to look at it. I think that the weather tomorrow will be fine – not too windy or cold. My family and I are going to the country. My father will teach me to ski downhill ! I love winter. And you ?

Hi, Yura. It's good to hear that you are enjoying your Russian winter. Winter in London is warmer than in Moscow. For us five degrees of frost is very cold weather. We are happy when we have white Christmas (when there is snow).

In January we do not have a lot of sunshine. Cold winds blow and it often rains. I don't like winter because it is wet and nasty. In February days will become longer, and I'll ride a bike and roller-skate with my friends. We are going to Scotland next weekend.
